Ocotillo District Weekly Update

A Brief Message from Councilmember Aldama on the Tragedy in Dallas, Texas Last Night

Good Afternoon,

In light of the horrific tragedy in Dallas, Texas, last night, I felt compelled to send this brief message of compassion today to the residents of the Ocotillo District and all first responders in Glendale.

This morning I contacted both Police Chief Black and Assistant Police Chief St. John to offer my support of them and the entire Glendale Police Department. I am very proud of the job that Glendale's finest do in serving and protecting all citizens, and it is important that they know how grateful I am of the risks they endure as they put their lives on the line for our safety each and every day.

For all police officers, women and men of all colors, sworn or unsworn, your sacrifices do not go un-noticed or un-appreciated. The work that you do is often taken for granted, and the actions of certain individuals in other parts of the country occasionally paint your profession in a bad light. I for one do not believe that the events of the past few days, which have unfortunately culminated in the shocking events of last night, paint this department in a negative light, and do not diminish the work that you do every day.

department in a negative light, and do not diminish the work that you do every day.

However, I want to remind our citizens the importance of embracing diversity in our city, state, and our nation. While violence has dominated the headlines, I ask the community to focus on the positive work of the various and diverse organizations in our city that have a significant impact on our youth and in the inner city. In the coming weeks I will work with our administration, including the Glendale Police, on efforts to continue to strengthen relationships with our families, and to continue to work on adopting diversity as a policy within the City of Glendale. It is imperative that we advocate for a ONE COMMUNITY mentality.

My thoughts and prayers go out to the victims and their families in the tragedies of the past few days.

Thank you,

Councilmember Jamie Aldama

You have options. Arizona has the **Safe Haven Law** that identifies places where mothers can safely and anonymously give up their babies without fear of prosecution. We have a Safe Haven crisis response team available to assist you with questions, options and resources, 24/7. Call 1-866-707-2229.

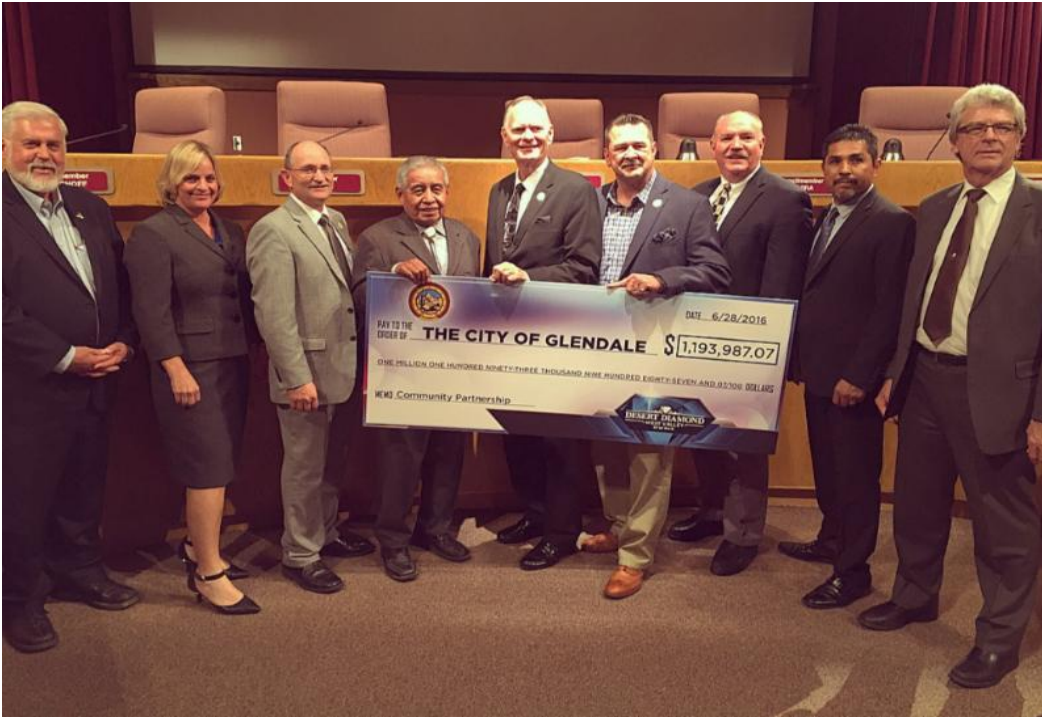

If your baby is unharmed, is under 72 hours old and you don't intend to reclaim your baby, you have options! Simply bring your baby to the Safe Haven locations:

Any Hospital
Any Ambulance
Any Designated Adoption Agency
On-duty Fire Stations
Any Designated Church

You must hand your baby to a person at above locations or may place baby in Safe Haven drawer at designated hospitals. Tell them this is a safe haven baby and you may leave. Your baby will be cared for and a good home will be found for the baby.

First payment under 20 year agreement will support city services and tourism

The Tohono O'odham Nation and the Tohono O'odham Gaming Enterprise (TOGE) presented the city of Glendale with \$1,193,989.07 in a special ceremony at the Glendale City Council Chambers this afternoon.

This amount represents the Nation's first annual payment. Going forward, the amount will be \$1.5 million each year. The first year amount was pro-rated because the Desert Diamond Casino was not open a full 12 months.

Glendale is the only city in Arizona with an agreement that includes an annual direct payment from a Native American Tribe. Under the agreement, the Nation will pay Glendale \$26 million over 20 years.

"This payment demonstrates the Nation's commitment to its neighbors and the strong relationship we have built with Glendale," said Tohono O'odham Nation Chairman Edward Manuel. "Presenting this check offers an opportunity to celebrate the great benefits the casino is bringing to the city, the Nation and the West Valley."

"The tribe has been a very good neighbor for Glendale and one of the important benefits of this partnership is how the casino is providing jobs to over 500 people right now in our community," said Glendale Vice Mayor Ian Hugh.

The CEO of the Tohono O'odham Gaming Enterprise, Andy Asselin describes the first seven months of operation at the Desert Diamond Casino as a "tremendous success." "The community support has been overwhelmingly positive," said Asselin. "Our partnership with Glendale and the entire region has, and will continue to play a major role in this success."

The Glendale Convention and Visitors Bureau will receive \$100,000 of the total amount each year and the balance goes to the city's general fund. About 70% of the general fund is for the city's fire and police departments.

"The casino offers recreational amenities for our residents, but more importantly it also represents economic development for the entire west valley for many years to come," said Glendale Councilmember Sam Chavira. "I want to thank the Tohono O'odham Gaming Enterprise and all the members of the Tohono O'odham Nation for making this

New Agreement Signed with Glendale Community Center

Pictured from Left to Right: (Back Row) Community Services Director Erik Strunk, Councilmember Jamie Aldama, Interim Police Chief Rick St. John, Assistant Police Chief Chris Briggs. (Front Row) Partners in Action CEO Jerry Bowman, PIA Site Supervisor John Fair.

Glendale Community Center - The City has entered in to a new twelve month contract with Partners in Action for the provision of youth programming and community services at the Glendale Community Center. Parks and Recreation staff have been working with Partners in Action (PIA), a local non-profit group, to direct the continued operations at the Glendale Community Center and to expand program offerings. The Parks and Recreation Commission unanimously approved the new agreement with Partners In Action at their May 16, 2016 meeting.

Based in Phoenix, AZ, PIA local initiatives are primarily focused on delivering educational and inner city youth services. PIA is expanding these services to deliver robust afterschool and enrichment programs to youth and families. PIA is uniquely qualified to deliver and grow these services to the local community through the center. PIA has strong relationships with City of Glendale leaders, community leaders, program providers while having unique capabilities to deliver excellent community based programming and systems. They very much want to collaborate with the community and its residents.

The partnership between PIA and the City of Glendale is the first step to deliver a revitalized community center with robust community based afterschool programs and services. PIA is expected to deliver programs and manage the facility with the anticipation of revitalization funding coming from an extended partnership to include the Fiesta Bowl and Arizona Sports and Tourism. The intent is to implement a full set of programs along with a freshly revitalized center within the first year of the partnership.

Staff are very excited to have PIA on board as they will continue to offer quality after school programming opportunities at the Glendale Community Center. PIA is currently moving into the building and setting up their staffing and program equipment/resources/supplies. The Center re-opened the week of June 27th to insure the youth and teens of the adjacent neighborhood will have a place to learn and grow during the summer and throughout the coming school year.

Residents Reminded Standing Water Invites Mosquitos

As Monsoon Rains Continue, Glendale Gives Tips to Safeguard Against Mosquito-borne Illnesses

With months of monsoon activity still ahead of us this summer, the city of Glendale reminds residents to eliminate standing water to protect their homes and families against mosquitoes and diseases such as West Nile virus.

"We often see a dramatic increase in mosquitos around standing water, depending on the amount of rain each monsoon season," explains Monica Rabb, Glendale environmental program manager.

The best way to eliminate mosquitoes is to eliminate their breeding sites. Residents, businesses, homeowner's associations, and municipalities are all responsible for eliminating and preventing mosquito breeding on their property.

Glendale Parks Division oversees the preventative treatment and elimination of mosquito breeding at city-operated facilities, including city parks, wildlife habitats, and retention basins.

Parks crews begin applications of larvacide treatment each year around April. Crews

Parks crews begin applications of larvicide treatment each year around April. Crews continue mitigation and ongoing inspections of known areas for standing water after rains, irrigation breaks or water related issues within 24 to 36 hours following each rain event through late October.

Additionally, park rangers monitor flood-irrigated parks closely during monsoon season to ensure standing water does not exceed a 36 hour threshold. Mineral oil is also used as needed in the form of a proactive larvicide treatment.

Standing water, even in the shallowest containers, acts as a breeding ground for mosquitos, so follow these essential preventive measures to fight the bite:

Reduce the number of mosquitoes around your home. Mosquitoes breed in standing water and their eggs will hatch within days after it rains. Check your yard once a week and after it rains, and get rid of containers that collect water. Empty water from flower pots, change water in bird baths, and check for any leaky water equipment.

- Report any pools in your neighborhood that are not being maintained properly. Occupied homes should be reported to Glendale's Code Compliance Division at 623-930-3610; unoccupied homes should be reported to Maricopa County at 602-506-0700.

- Reduce the number of mosquito bites you get. Make a habit of using insect repellent when outdoors. Repellents should be used according to the label instructions.

- Prime mosquito-biting hours are usually from dusk to dawn. Pay special attention to protection during these hours, or avoid being outdoors.

Maricopa County Environmental Services Department monitors mosquito activity throughout the county. It also responds to all complaints related to green pools, stagnant water, dead birds and of course mosquitoes. Residents can contact the Maricopa County

Vector Control Hotline at **602-506-0700** or online at www.maricopa.gov/wnv.

Glendale Announces New Budget and Finance Director

Vicki Rios Selected Due to Experience and Expertise

Glendale City Manager Kevin Phelps has appointed Vicki Rios to be the new Budget and Finance Director. Rios has served as interim director of the department since May 2015. She will manage the 2016-17 city budget of \$693 million and help keep the city on track with its goal of having a \$50 million unrestricted general fund balance by Fiscal Year 2019-20.

"Vicki has demonstrated that she has the expertise and leadership required to lead this critical department," said Glendale City Manager Kevin Phelps. "She brings exceptional experience that will serve Glendale well."

experience that will serve Glendale well.

Vicki's work was described as exemplary and transparent by the Glendale City Council, city staff, citizens and community partners during the recently completed 2016-17 budget approval process which included several comprehensive presentations to the City Council.

"I am grateful for this opportunity to serve my community and I am looking forward to ongoing collaboration with the City Council, Mr. Phelps, and all of our dedicated city employees," said Rios.

Rios joined the city of Glendale in December of 2013 with 20 years of professional budget and finance experience. Most recently, she had been the Deputy Finance Director over the Tax and Licensing Division for the city of Phoenix. Rios has a Bachelor of Science degree from University of California - Irvine as well as a Post-Baccalaureate Certificate in Accountancy and a Masters of Business Administration from Arizona State University. She is a Certified Public Accountant and a member and past president of the Government Finance Officers' Association of Arizona.

Donations of bottled water needed! Glendale Fire Department is teaming up again this year with Visit Glendale to collect bottled water donations for distribution through Heat Relief Stations to the most vulnerable populations in the region to stay hydrated and healthy.

Donated water will be accepted 10 a.m.-5 p.m., Monday through Saturday, at the Glendale Visitor Center, Suite 140, 5800 W. Glenn Dr., and at all Glendale Fire Department stations.

Employees to lend a helping hand Glendale Parks employees have taken the Heat Relief Network humanitarian cause further by providing mobile hydration assistance for people needing water. On days that the National Weather Service issues an extreme heat advisory, Glendale Park Ranger and maintenance vehicles are loaded up with coolers filled with ice-downed water bottles to hand out to people in need when encountered in City parks.

Important tips to avoid heat-related illness:

- Increase fluid intake, regardless of activity level. Staying hydrated is extremely important. Limit exercise or outdoor activity between the hours of 11 a.m. and 3p.m.
- When outdoors, wear a sunscreen with a minimum SPF 15 and reapply often.
- Wear a hat, lightweight clothing and sunglasses.
- Rest frequently in shady or cool areas to give the body's temperature a chance to recover and cool down.
- Never leave infants, children or pets inside a parked vehicle.
- Check on elderly neighbors to make sure their air conditioning is working and in use.
- Take advantage of free air-conditioned spaces by visiting shopping malls, libraries, or other heat refuge locations.

Heat Relief and water bottle collection location maps are available at all Glendale libraries and community centers and online at <http://www.azmag.gov/heatrelief>. For additional information on regional heat relief efforts, please contact Celina Brun, Maricopa Association of Governments, at 602-254-6300 ex. 5130.

Tohono O'odham Nation Revenue Sharing

In 2002, Arizona voters passed Proposition 202 which allowed for the continuation of limited Indian gaming on tribal lands in Arizona. Under Prop. 202, Arizona tribes agreed to share a portion of their revenues with the State of Arizona. Of the revenues shared, 12 percent is made available to cities, towns, or counties for a purpose whose benefit is to the general public.

...counties for a purpose whose benefits to the general public
through either direct distribution to the local governments or in
the form of a deposit to the State of Arizona's Commerce and
Economic Development Commission's Local Community Fund.

For its 2016 revenue sharing, the Tohono O'odham Nation has chosed to contribute directly to local governments. In addition, non-profit organizations may work with local governments to qualify for the funding available from the Nation. Therefore, the Tohono O'odham Nation is seeking Requests for Funding Proposals from Arizona cities, towns, counties, and non-profit organizations.

These proposals must address one of more of the following priority areas:

- a) Education
- b) Health Care
- c) Public Safety
- d) Child Advocacy
- e) Economic Development
- f) Cultural & Environmental Development and Protection

For information on proposal guidelines and how to deliver a proposal, please contact the Tohono O'odham Executive Office at 520-383-2028.

**FORGET THE SUMMERTIME BLUES! GET
JOLLY WITH CHRISTMAS IN JULY IN
DOWNTOWN GLENDALE ON SATURDAY
JULY 9**

Let it Snow! Let it Snow! Let it Snow! That's right - it will snow in Historic Downtown Glendale on Saturday, July 9 to celebrate the city's 10th annual Christmas in July celebration. And if tons of snow and holiday cheer don't beat the summertime blues, nothing will!

Visitors will enjoy a fun-filled day of holiday treats and exclusive deals from 10 a.m. to 4 p.m. in Old Towne and Catlin Court, a visit with Santa Claus, as well as an opportunity to donate to a summer water drive. Get your shopping for gifts and decorations completed early and avoid the rush! Christmas cheer begins at the Glendale Visitor Center, 5800 W. Glenn Drive, suite 140, where you'll pick up a holiday grab bag for the first 250 visitors. Ollie the Trolley will provide free rides around the area, including stops at Cerreta Candy Company where you can make and take a chocolate Christmas tree or ornament for just \$1 per person. Of course, the day won't be complete without a frolic in the "Arizona" snow - which will be in Murphy Park and free to play in. Any children must be accompanied by an adult to participate.

An added feature to this year's event will be the Glendale Farmer's Market going on between 7 and 11 a.m. at the First United Methodist Church parking lot (58th Drive and Palmaire), offering fresh produce, food and beverage available for purchase, as well as various vendors selling handmade items and much more.

Christmas in July also kicks off the start of installing 1.5 million lights for the city's annual holiday light display. The installation of the holiday lights takes more than four months and 5,000 labor hours to complete in order to be ready for Glendale Glitters Spectacular Weekend on Nov. 25-26.

The event also features a bottled water donation drive. In partnership with Glendale's Community Services Department and the city's Operation Safe Summer campaign, visitors are encouraged to bring a donation of bottled water to the event. Water will be distributed through Maricopa Association of Government's Heat Relief Network, to the most vulnerable populations in the region.

Myrtle Avenue Improvements - Safe Routes to School Project

Myrtle Avenue, 65th to 63rd Avenues (Westbound Only)

Project Activity Update

Installation of concrete curb, gutter, sidewalk, and driveway entrances on the south side of Myrtle Avenue between 65th and 63rd avenues is nearly complete. Currently, crews are placing decomposed granite adjacent to the new sidewalk, grading the south side of the roadway and placing aggregate base material in preparation for installing asphalt pavement.

Asphalt Paving Scheduled

In late June or early July, the contractor will install asphalt on the south side of the roadway between 65th and 63rd avenues. During this time, there will be brief access restrictions as the paving operation moves across driveways. Once the asphalt installation is complete, crews will replace the speed humps.

Myrtle Avenue Closure

Myrtle Avenue remains closed to westbound traffic between 63rd and 65th avenues for roadway improvements.

Currently the contractor is maintaining eastbound traffic on the north side of Myrtle. Please watch for traffic control changes as eastbound traffic will be moved to the south side of the roadway for speed hump installation.

The contractor is providing access for residents, businesses, Glendale High School, school buses, Glendale Urban Shuttle (GUS) and emergency vehicles via eastbound Myrtle Avenue. Please allow extra time when traveling through the construction zone as there will be traffic delays. Glendale and 67th avenues may be used as an alternate route.

Westbound Myrtle Avenue will reopen by 6 p.m., Friday, July 29, 2016. If you have questions about access during the closure, please call the construction hotline at (602) 264-6416.

Thank you for your patience and cooperation during this improvement effort.
